Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

I want to vote for issues affecting my area NOT 400km away.
A member of Parliament is supposed to represent their constituents. ~~[illegible]~~
The Dawson Member has the votes without the people of Annandale so these people's votes will become obsolete.
Townsville is too big a city to have issues decided by Members 400km away.
Industries in Townsville and Mackay vary too dramatically to have different Members represent them.

Yours sincerely,
