

Electoral Roll Data

ERA release schedule

47th Parliament of Australia

The Electoral Roll Access (ERA) release schedule provides release dates for electoral roll data extracts.

The dates are indicative only and are subject to change. The AEC endeavours to schedule ERA extracts around known major events. If a major change to the schedule is made, recipients will be notified, and an updated schedule issued.

June to September 2024

Download cycle	Release date
318	14/06/2024
319	12/07/2024
320	16/08/2024
321	06/09/2024

Further information about ERA and electoral roll data is available on the [AEC website](#).
