- a commonly accepted variation of that name (including an abbreviation or truncation of that name or an alternative form of that name).

### Question 3

The AEC responds to requests from the public for candidate contact details. These details are made available via the AEC website at [www.aec.gov.au](http://www.aec.gov.au), media releases and in response to telephone inquiries. **Please indicate which contact details you authorise the AEC to release publicly.**

The nomination form will be publicly produced at the time of the declaration of nominations, which takes place 24 hours after nominations close, and may be inspected at any time following the declaration of nominations by members of the public in accordance with the *Commonwealth Electoral Act 1918*. Candidate contact details will be displayed unless the candidate has requested otherwise on the nomination form.

Candidates nominated by 50 electors can elect to have the word *Independent* shown under their name on the ballot paper.

## Candidate statement and declaration

Please read the candidate statement and declaration carefully before signing the nomination form.

Your attention is drawn in particular to **section 44 of the Constitution of the Commonwealth of Australia**:

# Nomination of Senators

## Single nomination by 50 electors

Information on this form is collected under the provisions of the *Commonwealth Electoral Act 1918* (CEA)

**This form should be used where an individual candidate for the Senate is nominated as a single candidate by 50 electors.**

**Additional information is available in the *Candidates Handbook* and the *Nomination Guide*.**

If the candidate is an independent senator, elected as an unendorsed candidate at the previous election, and is not endorsed by a registered political party, the nomination form need only be signed by at least one other person entitled to vote at the election.

The nomination form will be publicly produced at the time of the declaration of nominations, which takes place 24 hours after nominations close, and may be inspected at any time following the declaration of nominations by members of the public in accordance with the *Commonwealth Electoral Act 1918*.

No responsibility will be taken for faxed nominations and no acknowledgement of receipt of faxes will be advised. The form may be sent by fax to the relevant Australian Electoral Officer (AEO). No other kind of electronic communication will be accepted. The time of receipt for faxed forms is the time when the message enters the relevant Australian Electoral Commission (AEC) fax machine memory and it is agreed that the AEC is not responsible for any deadlines missed or losses incurred. The deposit cannot be lodged electronically, and it is the responsibility of the candidate to ensure that both the fax and the required deposit are received by the AEO before the close of nominations.

For further information, please refer to the AEC website at [www.aec.gov.au](http://www.aec.gov.au) or call **13 23 26**.

Giving false or misleading information is a serious offence.

### Voting tickets

Candidates who are not members of a group may lodge voting tickets only if they are incumbent Senators. Incumbent Senators may lodge up to 3 voting tickets. These will be displayed on a poster or in a pamphlet, in ballot paper order, at polling places. If 2 or 3 voting tickets are lodged, they will be grouped together on the poster or in the pamphlet in an order specified by you.

The voting ticket(s) must be:

- lodged within 48 hours of the close of nominations; and
- lodged with the AEO for the State/Territory; and
- signed by the candidate.

Please attach a separate sheet giving the name and contact details of the person who will be lodging the group voting ticket(s).

### Nomination by 50 electors

The AEC is required to verify that at least 50 of the persons listed as nominators are enrolled to vote at the election for which the candidate is nominated. For a Senate candidate the nominators must be enrolled in the State or Territory in which the nominee is a candidate.

To ensure that 50 electors entitled to vote at the election for which the candidate is nominated are provided, it is strongly suggested that additional nominees are provided to meet this requirement. It is also suggested that the nomination form be lodged with the AEC in sufficient time for additional nominators to be obtained, or other corrections made, should it be necessary.

The electoral roll is available for viewing in electronic format at AEC offices. Electors may verify their own enrolment details on the AEC's website at [www.aec.gov.au](http://www.aec.gov.au)

Nominators enrolled on the Commonwealth electoral roll as silent electors are not required to disclose their residential address on the nomination form.
