

The Federal Redistribution 2010  
Victoria

---

**Objection Number 76**

**Petition signed by 14 people**

**1 page**

We the undersigned are totally against the radical change of boundaries being considered by the Electoral Commission. As country Victorians our rights are gradually being eroded and we strongly object to Murray Electorate disbandment to make way for a new metropolitan seat. We are totally behind Dr. Shannon Stone in her views on this matter and as the latest voting figures show Murray is very happy with our present Liberal Party Member. Stop ignoring Rural Victoria.
