## Submission Toauss Electoral Commission

We do not want change to Murray Electorate  
and we certainly do not want to join McEwan  
Electorate, McEwan is on edge of Metropolitan  
Melbourne, it is a very different area to Murray  
Electorate, we have a swelling population  
in ~~Shepparton~~ Shepparton, and the City  
of Shepparton is the centre of Murray Electorate  
and Starmans Stone is an Exceptional Member  
for us to have as head of our Murray Electorate  
we do not want change.
