Subject: I wish to lodge a complaint about the abolition of the seat of Murray

Please add my name, Graham E.Gofton, to the list of people objecting to the elimination of the seat of Murray. It is an average size seat already, and a huge seat compared to Tasmania's seat numbers.

How about the AEC promotes the fairer balance for all voters, especially with the Senate seats in Tasmania by instigating a referendum on this issue.!

I'm sure that it would be a well received referendum, as the situation will only get worse as Australia's mainland population continues to grow, while Tasmania's population may get less.

Your Faithfully,
Graham Gofton
