Dear Sir/Madam

I live in Bathurst
and after looking at the redistribution
I am horrified to see that Bathurst will
be in Macquarie which covers the
Blue Mountains. Bathurst has no community
of interest such as radio, T.V. coverage has
been broken. On the matter of rail the Blue
Mountains is electrified and Bathurst
has road coaches & XPT a once a week with the
explore to Broken Hill. There are a lot
of specialists in Orange/Milthorpe for
Health and we are in the Greater
Western Area Health Service, Rittigan
is in the Trepur area for health
services. I believe though the suggest
boundaries are wrong terribly wrong
and have flaws that should be fixed

Yours sincerely
Greg Standen
