World Square NSW 2002

Dear Committee

I am writing to express my opposition to the abolishment of the Federal Seat of Gwydir. The proposed redistribution will leave country people very poorly represented owing to the vast area that would need to be covered.

Country people have special needs and deserve a clear voice in Parliament. This is a ludicrous decision disadvantaging country people and I urge it to be reconsidered and common sense to prevail.

Yours faithfully

Alistair Todd
