Dear Sir,

We the undersigned wish to lodge our objection to the proposed decision of the Dust. Electoral Office to the change of electoral boundaries of the municipality of Latrobe from the division of Braddon to Lyons.

As long time residents of the Latrobe muni. we strongly feel that voters should be given the opportunity to decide and not an unelected body, also, representation from such a large electorate (Lyons) will be grossly inadequate, to Latrobe.

Should the Electoral Office decide on this change we are sure many voters will place informal votes in any forthcoming elections, from this municipality.

Yours Faithfully,

Mr. & Mrs. A. R. & J. A. Kay

A. R. Kay
