To Whom It May Concern,

PROPOSED REDISTRIBUTION OF TASMANIAN ELECTORAL BOUNDARIES

I write in support of the Latrobe Council's objection to the proposed Tasmanian Electoral Boundaries Redistribution.

The town of Latrobe, and its surrounding municipality has strong social and commercial links with the other towns and cities of the North West Coast of Tasmania, and the excision of its citizens from voting and being politically active in what is, logically 'their' electorate seems short-sighted.

Mayor Mike Gaffney and various other Community figures have voiced their informed opposition to the proposal, and I am more than happy to add my support to their stance.

Yours sincerely,
