Subject Proposed Redistribution of Tasmania into Electoral Divisions

Dear Marie

As a resident of the Latrobe Municipality living in the Moriarty district I strongly object to any change to our Municipality being included in the Lyons electorate. I have recently retired from a lifetime working on the land where all my produce vegetables, poppies, pyrethrum, tulips, sheep & cattle were processed in or sold in the current Braddon region.

My late wife who passed away in 2002 after 23 years suffering from Multiple Sclerosis was a patient at the Mersey Community Hospital on many occasions. All the reasons given by the "Latrobe Council" are perfect justification of why the changes should not take place. I sincerely hope common sense rules the day.

Yours sincerely Charles Radford OAM
