Dear Sir

### **Redistribution of Federal Electoral Boundaries Public Comment on Submissions**

I refer to the listing on your website of public submissions regarding the proposed electoral redistribution.

Our Council is supportive of the submissions relating to the retention as a minimum of the existing number of regional representatives in NSW.

The submission from Sister Mary O'Dea of Narrandera expresses succinctly the situation as it relates to regional NSW and especially to our Shire.

The tyranny of distance makes it very difficult for our residents and enrolled electors to feel that they adequately represented. Our Council is therefore supportive of any process which enables this impediment to be fully considered when the potential redistribution is finalised.

Yours faithfully

Cr Robyn Faber
