The Redistribution Secretariat for NSW,

I would like to comment on the proposed redistribution in relation to the Federal Electorate of Calare.

I wish to indicate that I have perused the Submission of the Nationals regarding the redistribution for the electorate of Calare and think it is a very good submission based on the factors they outline.

There's no reason for Forbes and Parkes not to remain within their centre of interest which is Orange and Calare.

If any movement allows it then obviously Cowra and Weddin LGA's would also have similar claims, as is pointed out in the National Party's submission, to remain in Calare.

Yours sincerely,

Hon. John Cobb MP
Federal Member for Calare
for Regional Australia
