Sir,

I was appalled to learn that
you are thinking of abolishing the
electorate of Reid in what I think

Our current M.P. Laurie Ferguson,
is doing a fabulous job of drawing
together the many different ethnic groups here
& helping to form a genuine community.
To separate the community into four or
more different groups would bring a
complete lack of care for the welfare
of people who live here. I cannot
believe that public servants who are
supposed to look to what is best for
Australia could make such a cross decision.

Yours faithfully,
Gill Long.
