Subject: Objection to the proposed redistribution of 14000 voters from North Sydney to Warringah electorate

Attention: Redistribution Secretariat

Level 3, 24 Campbell Street
Haymarket NSW 2000

Dear Sir/Madam,

The purpose of this letter is to inform you about my strong objection to the proposed redistribution of 14000 voters from North Sydney electorate to Warringah.

Historically Cammeray has been a part of North Sydney electorate for many years and have been receiving quality community services both from Federal, State Governments and Local North Sydney Council.

We wish to retain the current 14000 voters from Cammeray & Neutral Bay areas in North Sydney.

At present Warringah electorate already covers a very large area and by the proposed redistribution it will become even larger and will not be able to offer Cammeray and Neutral Bay voters the service they deserve.

We do not want any changes to the current distribution and stongly object to the proposed redistribution.

Yours truly

Gokhan Gultekin
