Subject: Proposed Redistribution North Sydney to Warringah

Attention Redistribution Committee,

1 There is no justification to move portion of the eastern part of the present North Sydney electorate into Warringah, North Sydney as at 19 February 2009 was 93946 and Warringah was .94004 As the quota is 94353 there seems to be no good reason for this redistribution as both figures are within the 3.5% the numerical tolerance allowed.

2 Our community interests are all centered around North Sydney .Our affinities are with North Sydney, Kirribilli, Milsons Point and Crows Nest. We have no affinity with, or any interests beyond the Spit Bridge. We have nothing in common with the people in Manly Vale, Brookvale, or Allambie.

We rarely cross the Spit Bridge, if our electorate was changed to that of Warringah we would feel disenfranchised.

We do not believe there is any good reason to relocate us into Warringah.
