PROPOSED BOUNDARY RE DISTRIBUTION OF  
REID NSW 2009

---

TO WHOM IT MAY CONCERN.

I am really angry, and disappointed that you have proposed to abolish the division of Reid. I have been a resident of Granville for the last 50 years, and have seen many changes, especially with the influx of many non speaking english people.

We have a very special "Federal Member," for Reid. He is the most honest politician in the whole Parliament. If you have a problem, he is always ready to help you out, and will answer with a letter within a few days, and also keep you up to date on the matter.

I know he is very up to-date, with all migration affairs, and has many constituents visit his office with many problems of this matter.

His office is in a perfect place for all who need to see him. He also works 24/7 everyday.

To abolish the "REID," electorate puts a mockery of our great leaders, who worked very hard such as (George Reid 1894-1899), who was instrumental in plans for the (CONSTITUTIONAL CONVENTIONS) also the first leader of (Fair Trade). Also Jack Lang 1940-1949), Tom UREN 1958-1990.

To do this to a great electorate has upset  
so many of us, who believe in a fair go  
for all Australians.  
(Please reconsider your decision.)

Yours Faithfully
