Subject: Proposed new boundaries for the seat of Cunningham

Dear Commissioners

As a long time property owner and resident of Bundeena I welcome the opportunity for the village to be part of a seat that is concentrated on a series of coastal villages and Wollongong.

At the moment Bundeena and Maianbar are forgotten at best and totally disregarded at worst by both our current MP and Sutherland Shire Council.

Cook is a suburban seat with suburban issues and interests, as such it is structurally and culturally unsuited to take the two unique villages into account. Bundeena and Maianbar are not suburbs, we have a particular lifestyle and culture with more in common with the Illawarra villages than with the suburbs of Sutherland Shire.

I support the proposed boundary changes.

Regards
