Dear Sir,

Re proposed Federal boundary

change for N. S. W.

① North Sydney. Generations of this Family, born in Nth Sydney most still live here, also in Warringah as well.

② There are far more important things needed in this Country to be done than this at the moment.

③ This is purely Political, and as the old saying goes & I quote "If it ain't broke don't fix it" end of quote.

We, as a Family strongly object to such a proposal & this be put to a Referendum & given honest reasons.

Thanking you,

yours. Faithfully,

M. Shepherd &  
Family.
