**To:** NSW Redistribution  
**Subject:** Riverina

I should like to add my support to maintaining the Riverina as a electoral seat. The issues that related to rural Australia should have local input from local people. The current member Kay Hull looks has the support of the regional population as seen in previous elections. This is due to her commitment to maintenance and expansion of regional services. Should this region loose its representation I only fear that we will enter a period of decay that will take years to repair.

Yours Sincerely

Dr Peter Smart
