Dear Committee members

There is strong speculation that the Aust Labor Party will recommend that the Riverina Seat currently held by the Federal Member Kay Hull is to be scrapped as a NSW Regional seat leaving only a ~~gap~~. This will deny people in rural and regional areas the right to have access to their Federal Member of Parliament.

If a seat has to be lost from NSW it should be a metropolitan electorate rather than a regional seat. To prevent voters from missing out on access to their elected representatives.

I am disheartened that this unfair action is being considered by the members of your committee.
Yours faith fully
