Dear Sir/Madam,

I am an elector in the seat of Berowra NSW.

I believe that that part of the electorate south of the M2 Toll Road should be excluded from the seat. This part has the barrier of the M2.

This part of Carlingford has a natural attachment in shopping, schools and playing fields with the suburb of North Rocks which is in different electorates.

I should be pleased to be kept informed of any matters relating to this redistribution process.

Yours sincerely
