Subject: Farrer Electorate Concern

I wish to express my concern that the City of Albury may not remain in the Farrer Electorate in the forthcoming redistribution.

I do believe that Albury has been a forgotten City due to it's location on the border of NSW & Victoria in state politics and may end up being included with a city or cities to the north in a redistribution.

In the past when we were included with Wagga Wagga I believe that Albury did not receive a fair share of Government support.

The present boundaries of Farrer do need to be reviewed as the geographical area is just too large!
