To the Federal Government
A Submission Re Redistrictional of electoral
Boundries

My Submission is of the retention of
Riverina Electorate which is situated in
western NSW.

Many Country People have been robbed of their
services such as for Medical, Hospital,
Transports where there are no bus services
in country town or to adjoining Country town and
do not mention the rail services. As well
we suffer from drought condition.

We need to have our own electorate
represented by a person from our area
who well knows the situation in
the electorate. We do not want to be
attached to other electorates where there
is little knowledge of the needs of
our area.

Many areas of electorates near big
cities would be more suitable to be
combined or added ~~to~~ because of their
similarity.

We trust you will not take our
Riverina Electorate away because it is
held at present by your opposition

Yours Sincerely
Mrs Ines Heromann
