Dear Redistribution Committee,

I live in Dickson and I worry for the people of Dayboro and Kurwongbah. My fear is that, should they be allocated to another electorate, their interests and voices will be largely ignored by politicians more interested in the more populous and concentrated communities of the coastal regions.

Dayboro and Kurwongbah have always been a part of Pine Rivers and, though the old shire council may be gone, there is still a strong identification by us locals to the Pine Rivers area. Please do not attempt to further erode the ties between ourselves by parceling us out to surrounding electorates. Please keep these areas with the rest of Pine Rivers inside the Dickson electorate.

Yours Sincerely,
