Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

• This proposed redistribution places me outside my community of interest, where I engage in local issues. It seems to me that with each redistribution the boundary is creeping by increments, with little regard for citizens areas of interest and daily activities

• I am concerned that I will receive "token" representation from a member whose major constituent base is in the Mackay ~~to~~ area, ~~and~~ while I am one of a minority group on the fringes. local area issues for me will not be a priority for a member four hours away.
Yours sincerely,
