Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

By car, I live 3 minutes from the Townsville Hospital and James Cook University; 5 minutes from the office of the current member for Herbert; 12 minutes from the Townsville CBD and Mall; 14 minutes from the Strand; 3 mins. from Sarsfield Barracks; 2 minutes from Good Shepherd Nursing Home. These areas are a few of many in Townsville whose issues concern me as a voter in the seat of Herbert. To move me into the seat of Dawson, based on the city of Mackay would mean I would be 4½ hrs. drive away from that member's office and would have to vote for basically issues concerning that region of which I have no interest in whatsoever. I would be alienated from my community of interest and denied my basic right

Yours sincerely,

to vote for someone to represent me and my community.
