Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

The cynic in me would say this redistribution is to bolster the ALP seats - clearly Dawson ALP with large majority Herbert marginal Liberal - so take away the "Blue Ribbon" area of Annandale, Idalia & Riverside.... however you're clearly not that intelligent & must be bipartisan.

To have our Federal Member 400 km south when the populous of Townsville is so close defies logic. What the thought process is defies logic, I live & work in Townsville, appreciate the fact my federal member is just a short drive away, understands our culture, the needs of the community & what's best for this area.

Yours sincerely,
