Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

*Annandale is ^{a suburb of} Townsville and should
be included in a Townsville based electorate.
Issues and outcomes for Annandale residents
would be the same as for all of Townsville.
An elected member based in Mackay would
not serve the people of Annandale effectively
even though the member might take an
interest. I can only see the benefits towards
the current government. This redistribution is
designed to win more seats for the elected party
and disadvantage the opposition - Gerrymandering*

Dear Annandale Resident

PROPOSED FEDERAL ELECTORAL BOUNDARY CHANGES

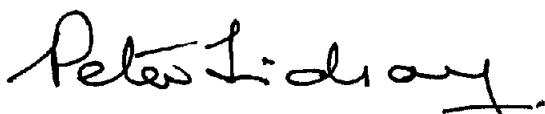

The Australian Electoral Commission is proposing new boundaries that will see the suburbs of Annandale and Wulguru (with the exception of Lavarack Barracks) shifted from your current Federal electorate of Herbert to the Mackay-based Federal electorate of Dawson.

If this proposal is adopted, it will mean you will have a Federal Member of Parliament representing Annandale from an office 400 kilometres away in Mackay.

If you think this is wrong you can help to convince the Australian Electoral Commission that Annandale must not be taken out of the seat of Herbert.

Please find a form on the other side of this letter. You can use this to lodge an objection to the proposed changes. Please complete this form and return to me in the reply-paid envelope provided.

Best regards
