Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

I do not want Wulguru included in the Dawson electorate as it would disconnect the suburb from the Townsville community. I live 10 minutes drive from the centre of Townsville and am close to other Townsville amenities. I relate to issues affecting the Townsville community in North Queensland and not to issues affecting central Queensland. I don't believe that a federal member based in Mackay can/would properly represent my local area.

Yours sincerely
