Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

1. I do not want to be represented by someone residing 100's of kilometres away from my town.

2. They would not be familiar with the needs of this area.

3. Contact with them on a person to person basis would not be possible.

4. I am a single aged pensioner & unless the representative provided a toll free 'phone contact, even contacting them by 'phone would prove an added expense.

Yours sincerely,

Name: Miss Guenda Sandbek
