Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

1. It is not appropriate that the member for Dawson represents Townsville residents.
2. Access to our Federal Representative will be very significantly reduced.
3. The Federal member for Dawson will not have an interest or knowledge in the issues in Annandale
4. The Federal members interests will be primarily in the Mackay region, not Townsville
5. The representation will be totally inadequate
6. Information on Federal issues will be limited because of the lack of media coverage.

Yours sincerely,
