Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

If this proposal goes ahead it will see my Electoral member located 400km from Annandale who's main focus will be on the Mackay area & all things that benefit Mackay. I am strongly opposed to the proposal and want things left as they are. Annandale's best interests are best looked after under the current arrangements of Herbert division. Separating parts of Townsville more than they already are will only serve to further complicate & frustrate the political workings more than they are now.

Yours sincerely,
