Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

Townsville is a population density with a common need for representation. I don't see any way that someone with primary interest and concern living in Mackay will adequately support and fight for issues in the Annandale and Wolgaru areas.

A valuable vote is an informed vote. The residents of Annandale and Wolgaru, <sup>and indeed Idalia and Fairfield Waters</sup> hear nothing and care little about the issues in the Mackay / Dawson electorate.

With no intention of an office in the Townsville area, this is a clear indication that a significant population base will not be adequately represented.

Yours sincerely,
