Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

As a resident of Annandale, I believe that moving Annandale out of Herbert will split ^{the} community. It seems that any change should be made that is practical and also project the population increases expected in the future. If any change is made perhaps a split down the middle so that 2 members electorates could be established.

At present, I am very unhappy about having a member of parliament about 400 km represent me. I believe there is a better outcome possible

Yours sincerely,
