Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

I object to my local Federal representative being moved from within the city I reside to 400km away. My state representative is already 100km away and I expect local access to my elected representatives.

I feel no empathy with Mackay or Mackay based ambitions.

Annamabelle/Wulguru must have Townsville based representation for practical and logical functioning.

Yours sincerely,
