Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

*I have lived in Annandale for 18 years & have felt that I was part of the Townsville Community & I do not want to move to the Division of Dawson where I will not feel that I am part of their community & will not be represented as well as I have been in the past. I do not want to have to drive hours to express my views or concerns on local matters. I want to be able to vote on local issues (in Townsville) not on something happening 400kms away. I would like to also see Idalia & Fairfield Waters returned to the Herbert electorate. Do you realise that Annandale has a high percentage of Army families living there yet you did not move Lavarack Barracks.*

Yours sincerely,
