Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

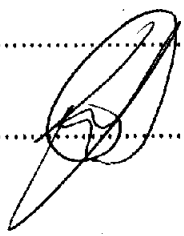

I can not reasonably understand how a person can represent my best interest if they are mostly concentrating on a town so far away

Would this person fight for us an example road funding for 10,000 approx when 70,000 in the town they live in require the same or less funding? I think not & honestly why would a person representing Townsville be interested in fighting for our issues even though we live in the same town, they will be largely influenced by the votes they can win

This example is my belief why the general public scoff at politicians & bureaucrats. There is no common sense in the proposal outlined

Dear Annandale Resident

PROPOSED FEDERAL ELECTORAL BOUNDARY CHANGES

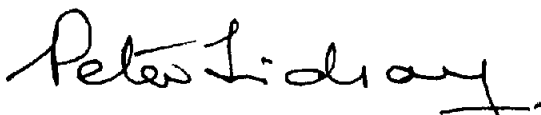

The Australian Electoral Commission is proposing new boundaries that will see the suburbs of Annandale and Wulguru (with the exception of Lavarack Barracks) shifted from your current Federal electorate of Herbert to the Mackay-based Federal electorate of Dawson.

If this proposal is adopted, it will mean you will have a Federal Member of Parliament representing Annandale from an office 400 kilometres away in Mackay.

If you think this is wrong you can help to convince the Australian Electoral Commission that Annandale must not be taken out of the seat of Herbert.

Please find a form on the other side of this letter. You can use this to lodge an objection to the proposed changes. Please complete this form and return to me in the reply-paid envelope provided.

Best regards
