Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

Community of interest is important for the urban Townsville area including Lavarack Barracks. Eventually, as the urban Townsville area grows it will have to be split - when that time comes it should become two essentially urban seats with attached hinterland. We are not ready for this yet.

Yours sincerely,
