Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

- The member for Dawson has an office which is 400km away from a significant number of voters reducing the members ability to represent members appropriately.
- Wulguru & Annandale are part of the Townsville community & my community of interest as a resident of Wulguru.
- If split from Townsville, members of Wulguru & Annandale will be marginalised as voters as Idalia residents have experienced previously.

Yours sincerely,
