Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

I live and work in Townsville, I utilise the community assets in Townsville. My children go to school in Townsville. My interests are in my immediate environs. A move for Federal representation based in Mackay I feel will alienate me from our direction from our local members.

I and my family came to Townsville knowing that we are being represented locally by an established seat.

Yours sincerely,
