Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

I want to vote for issues affecting my area NOT 400km
away.

A member of Parliament is supposed to represent their
constituents. ~~Representing Townsville (Herbert) with changes~~

The Dawson Member has the votes without the people
of Annandale so these people's votes will become
obsolete.

Townsville is too big a city to have issues decided
by Members 400km away.

Industries in Townsville and Mackay vary
too dramatically to have different Members
represent them.

Yours sincerely,
