Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

1. With Townsville growing at a rapid rate we need a representative locally & based in Townsville. It is not good enough, we have to travel 400km to Mackay to see our Federal member.
2. Not having a local member will mean that the out of town representative won't have a clue on what issues are relevant to our community & local area.
3. This is a bad decision for our community.

Yours sincerely,
