Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

Under the proposed changes,
The member of Parliament will not reside in my/our
local area. This makes it very difficult for the
Member to lobby for issues relevant to my/our
and town. I/We would prefer a representative
who resides in and understands our area.
It also makes it difficult to meet with the Member
if required to discuss important issues as they
would reside over 400km away.

Yours sincerely

Dear Annandale Resident

PROPOSED FEDERAL ELECTORAL BOUNDARY CHANGES

The Australian Electoral Commission is proposing new boundaries that will see the suburbs of Annandale and Wulguru (with the exception of Lavarack Barracks) shifted from your current Federal electorate of Herbert to the Mackay-based Federal electorate of Dawson.

If this proposal is adopted, it will mean you will have a Federal Member of Parliament representing Annandale from an office 400 kilometres away in Mackay.

If you think this is wrong you can help to convince the Australian Electoral Commission that Annandale must not be taken out of the seat of Herbert.

Please find a form on the other side of this letter. You can use this to lodge an objection to the proposed changes. Please complete this form and return to me in the reply-paid envelope provided.

Best regards
