Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

As a Townsville resident I believe I am entitled to be represented in parliament by a Local Member. The redistribution proposed would see my local member living in Mackay (Dawson) some 400 km south. With Townsville's increasing population it would be probably more appropriate to create a new seat at a future point in time.

Yours sincerely
