Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

I object to this proposal because it is ridiculous for residents of suburbs such as Annandale, which is geographically situated in the heart of Townsville, to be represented in federal parliament by a member for Dawson which is centred on Mackay 400 kms to the south.

Yours sincerely
