Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

1. I live in Townsville, (not Mackay) and believe that <sup>the</sup> my sitting member to be effective, they should also live in the Townsville area.
2. I believe we are well represented now and have no objection to the current numbers of voters, or size of the Herbert electorate, so therefore see no reason to change the boundaries you what they are currently.
3. We live in a city area and our needs are totally different to those in the rural areas to the south of Townsville.

Yours sincerely,
