Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

With the member for Dawson living & working 500 ks away,
how could he possibly know anything about our requirements
here in Annandale & Wulguru?

Apart from the weather, our local media does not supply
any information about the Dawson area, therefore we
know very little about that electorate.

Surely more thought has to be given to the proposal that
Lavarack Army Barracks may remain in Herbert when
you consider that most of the army personnel live
in Annandale & Wulguru!!

Yours sincerely,
