Dear Sir/Madam,

Thank you for the opportunity to submit suggestions for the naming of the new Constituency which will include this area.

I and my family here, feel that it would be more appropriate for the name to reflect the history and culture of our area. We therefore propose the name DOYLE to commemorate the life and work of Parcy Doyle, who lived in the Ipswich area and painted a number of well-known pictures in the Fassifern area.

With regards,

Barbara (Dykes)
