Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

It makes no sense to split a 'community' in two. We should be governed by a representative for the area. Our issues and concerns are the same as anyone else who lives in Townsville, and if growth predictions are true, suburbs and areas directly south of here will be in the same position. Treat us as a community - not just numbers!

Yours sincerely
